

O Fill My Cup

1, 4. O fill my cup let it ov - er - flow.
 2. A - maz - ing grace! how sweet the sound!
 3. When we've been there ten thou - sand years,

1, 4. O fill my cup let it ov - er - flow.
 2. A - maz - ing grace! how sweet the sound!
 3. When we've been there ten thou - sand years,

O fill my cup let it ov - er - flow.
 That saved a wretch like me!
 Bright shin - ing as the sun,

O fill my cup let it ov - er - flow.
 That saved a wretch like me!
 Bright shin - ing as the sun,

O fill my cup let it ov - er - flow,
 I once was lost, but now am found,
 We've no less days to sing God's praise

O fill my cup let it ov - er - flow,
 I once was lost, but now am found,
 We've no less days to sing God's praise

Let it ov - er - flow with love.
 Was blind but now I see.
 Than when we've first be - gun.

Let it ov - er - flow with love.
 Was blind but now I see.
 Than when we've first be - gun.
