

# Only Trust The Savior's Promise

1. When our way is hedged a - bout us, And our cross too great to bear,  
2. O 'tis prayer that brings a bless - ing, When our hope on Him is stayed;  
3. O the joy of sweet com - mun - ion, When we know that He is near,  
4. Why, O why should we be trou - bled, When the Lord Him - self de - clares,

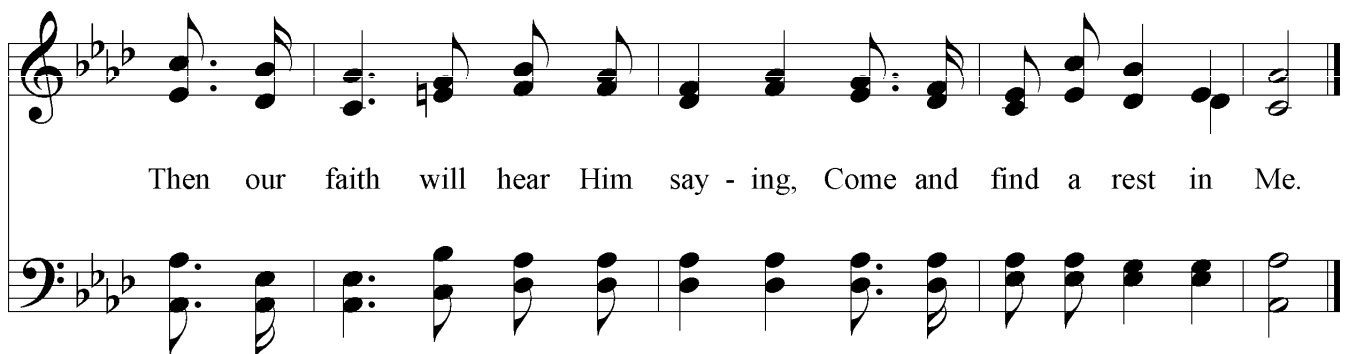

How the soul to God is lift - ed, Thru the won - drous pow'r of prayer.  
Prayer that gives us joy and com - fort, Tho' the an - swer be de - layed.  
When we feel His love with - in us, Cast - ing out our ev - 'ry fear.  
If we call on Him be - liev - ing, He will grant our fer - vent prayers.
