

# Create In This Weak Form Of Mine

A $\flat$

*Andante con moto*

1. Cre - ate in this weak form of mine A true and trust - ful heart,
2. Grant me, O Lord, a spir - it pure To dwell for aye in me,
3. And from Thy ho - ly pres - ence, Lord, Cast me not out, I pray,
4. Oh, o - pen Thou my seal - ed lips, My droop - ing spir - its raise,

That from Thy ho - ly laws, O Lord, I nev - er may de - part.  
That I may seek thru all my life Sweet joys that come from Thee.  
Re - mem - ber not my err - ing youth, But wash my sins a - way.  
And I will all my days on earth, Thy lov - ing kind - ness praise.
