

From Heaven's Height Soft, Vernal Breezes Blow

D

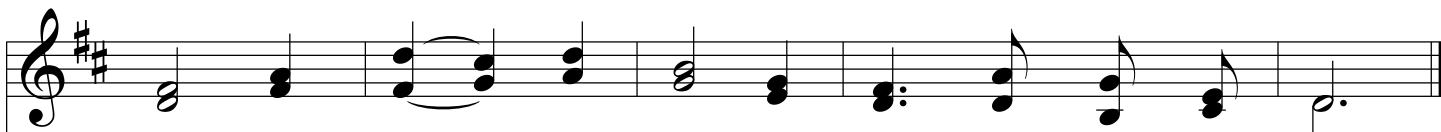

Allegro

1. From heav-en's height Soft, ver - nal breez - es blow; God's glo - rious light
2. From heav-en's height God's man - date stern re - sounds, To ty - rant's might,
3. From heav-en's height God's prov - i - dence shines clear; Un - to our sight
4. To heav-en's height Look up with faith and trust; Ce - les - tial might

Its Au - thor's pow'r doth show, With sun - ny hues, Trans - fig - ur - ing the
Pro - claim - ing law - ful bounds; As long a - go, God hum - bled E - gypt's
His pur - pos - es ap - pear; His word di - vine All life cre - ates, sus -
Pro - tects thee, child of dust; Give thanks to God For fields with ver - dure

earth, While spring - time woos The flow - ers back to birth.
pride, God's will, e'en so, May now not be de - fied.
tain; His high de - sign The des - pot's plans re - strains.
clad, His good - ness laud, And in His care be glad.
