

# Man's Comradeship Is Very Wide

G

*Con moto*

1. Man's com - rade - ship is ver - y wide, A large and no - ble throng,  
2. The vast de - moc - ra - cy of earth, The fel - low - ship of man-  
3. The com - mon lot of hu - man kind, Its glad - ness and its woe,

By toil and tears and faith al - lied, And suf - fer - ing and song.  
Who ask - eth an - y nobl - er birth Than son to hu - man clan?  
This mor - tal bond our lives must bind That we im - mor - tal grow.
