

# O Lord, My God, I Pray

D

*Andante moderato*

1. O Lord, my God, to Thee I pray For knowl - edge and for light,  
2. O shed Thy light in - to my soul That I may un - der - stand

That from Thy path I may not stray When dark - ness veils my sight.  
To reach my be - ing's hap - py goal, Di - rect - ed by Thy hand.

For Thee I yearn, I deep - ly long; Be Thou my guide ere I choose wrong,  
Each du - ty be my soul's de - light, My cour - age true to do the right

So that my will be firm and just, My heart up - held with con - stant trust.  
In weal and woe, in joy and pain, May faith and hope my heart sus - tain.
