

# To Worship God In Truth

Gm(Bb)

*Con moto*

1. To wor - ship God in truth And in sin - cer - i - ty,  
 2. Lord, come, and sanc - ti - fy This shrine that we have reared,  
 3. Then let us strive to be God's ser - vants tried and true,  
 4. Lord God, this shrine we built, In faith - ful - ness and love,

This house we ded - i - cate His dwell - ing - place to be:  
 And help us prove that here The one God is re - vered;  
 His priests while in these halls, His priests the whole world thru;  
 Thy peace be ev - er here, Thy bless - ing from a - bove;

Our free - will gift it is, A joy - ous of - fer - ing,  
 What here we feel and speak Our lives will dem - on - strate  
 In trop - ic lands or fro - zen, Wher - ev - er we may roam,  
 To wor - ship Thee in truth And in sin - cer - i - ty,

Which to His al - tar now, With grate - ful heart we bring.  
 When we our pi - ous vows In lov - ing deeds trans - late.  
 May we His pres - ence feel As 'neath the tem - ple's dome.  
 This house we ded - i - cate Thy dwell - ing - place to be.
