Giocoso

1. We lift our eyes to yon - der hills, Where on - ly help is found;
2. Lord, we who in Thy ways de - light May ban - ish ev - 'ry fear;

To Him who all cre - a - tion fills, Who gives the stars their bound.
By Bea and land, by day and night, Thy hand is ev - er near.

The might - y God His Is - rael keeps, And Ho - ly is His Name;
We will in - dulse no faith - less doubt, And, where - so - e'er we roam,

He nev - er slum - bers, nev - er sleeps, From age to age the same.
Thou wilt pre - serve our go - ing out, And Thou our com - ing home.
