Father In Need I Come To Thee

THY WILL BE DONE

1. Father, in need I come to Thee, And this shall be my earnest plea:
   Give me a spirit like to Thine, And make Thy work and purpose mine.
   Not my will Father, but this I pray, Thy will be done by me each day;

2. Help me to always keep in sight The love that guides me to the light;
   The star of faith the beacon be That guides me o’er life’s stormy sea.
   Not my will, Father, this I pray, Thy will be done by me each day.

3. Help me to do for Thine and Thee What-ever work Thou givest me;
   Faithful in all things to the last, Be heav’n the prize when earth is past.
