Gently, Gently Kneel And Pray

1. Gently, gently kneel and pray, Gently come and go;
2. Kindly, kindly speak to all, At our work or play;
3. Dearly, dearly let us love Ev’ry one we know—
4. Sweetly, sweetly sing the praise Of our glorious King.

Jesus Christ is watching us, He would have it so.
Jesus Christ can always hear Ev’ry word we say.
Brothers, sisters, friends we are Jesus makes us so.
With our hearts and with our voice; Jesus hears us sing.

Chorus

Gently, gently shine the stars, Gently grow the flow’rs,
Gently smiles the love of God, And His love is ours! Amen.
