Go Wash In The Blood

1. Have you looked to Jesus for His healing grace? Have you gone to the Lord for a care? Are you longing, thirsting to be trust in His mercy and love? Are you humbly leaning on the hold His face? Do you want to be spotless and pure? heav'nly home? Do you wish life and glory to win? Savior's breast? Are you seeking a kingdom above?

Chorus

Go and wash in the blood That was shed by the crucified One, Go and wash in the blood,

In the cleansing fountain, In the healing blood, That was shed by the crucified One.
