1. The night is fast passing, The day is at hand, Day is at hand;
2. The Lamb on Mt. Zion With nail-pierced hand, Nail-pierced hand,
3. Then sing, weary pilgrims, You're nearing the strand, Near the strand,

We've sighted the mountains of Beulah land, Sweet Beulah land.
Has opened the portals of Beulah land, Sweet Beulah land.
Where loved ones await you in Beulah land, Sweet Beulah land.

Chorus

We'll say good morning in glory, Good morning in glory;

We'll say good morning in glory, When the darkness has turned to day.
