B $\flat$ /F - SOL

1. We plough the fields and scat - ter The good seed on the land,  
2. We thank Thee, lov - ing Fa - ther, For all thigs bright and good,  
3. Shall we not give for oth - ers, As God to us has giv'n,

But it is fed and wa - tered By God's al - might - y hand;  
The seed - time and the har - vest, Our life, our health, our food,  
Own all man - kind as broth - ers, And help them on - to heav'n?

He sends the snow in win - ter, The warmth to swell the grain,  
No wealth have we to of - fer, For all Thy love im - parts,  
We bring our of - f'ings glad - ly, And speed the mes - sage on,

The breez - es, and the sun - shine, And soft, re - fresh - ing rain.  
But that which Thou de - sir - est, Our hum - ble, thank - ful hearts.  
Of Christ and His sal - va - tion, To all be - neath the sun.
