

He's Everything To Me

"Christ is all and in all."

G/D - SOL

1. I once was in the de - sert, all wea - ry, sad and lone,
2. I left the bar - ren de - sert and sought His lov - ing face,
3. He gives me joy - ous sing - ing and makes the sun to shine,
4. And in the si - lent watch of the lone - ly mid - night hour,

Un - til my Sav - ior told me that I was still His own,
De - pend - ing on His mer - cy and on His sav - ing grace;
And oft He smiles up - on me, and then I know He's mine,
He comes my soul to res - cue and shows His might - y pow'r,

He bade me leave my fol - ly and from the dan - ger flee,
He smiled up - on me gen - tly; from sin He set me free,
He car - ries all my bur - dens and keep me on life's sea,
And when the light of glo - ry comes shin - ing o'er death's sea,

And since I found the Sav - ior, He's ev - 'ry - thing to me.
And since I found the Sav - ior, He's ev - 'ry - thing to me.
For since I found the Sav - ior, He's ev - 'ry - thing to me.
O then I'll sing in tri - umph: "He's ev - 'ry - thing to me."
