There's a Wideness In God's Mercy

There's a wideness in God's mercy, Like the wideness of the sea;
There is no place where earth's sorrows Are more felt than up in heav'n;
For the love of God is broader Than the measure of man's mind;
There's a kindness in His justice, Which is more than liberty,
There is no place where earth's failings Have such kindly judgment giv'n.
And the heart of the Eternal Is most wonderfully kind.

There is welcome for the sinner, And more graces for the good,
There is plentiful redemption In the blood that has been shed;
If our love were but more simple, We should take Him at His word;

There is mercy, with the Savior, There is healing in His blood,
There is joy for all the members In the sorrows of the Head.
And our lives would be all sunshine In the sweetness of our Lord.
