# Thine Approbation

Eb/Eb - DO

1. One pre - cious boon, O Lord, I seek, While tossed up - on life's bil - lowy sea;
2. Earth's scoffs and scorn well pleased I'll bear, Nor mourn tho' un - der foot I'm trod,
3. Let me but know, wher - e'er I roam, That I am do - ing Je - sus' will;

To bear a voice with - in me speak, "Thy Sav - ior is well pleased with thee."
If day by day I may but share Thine ap - pro - ba - tion, O my God!
And tho' I've nei - ther friends nor home, My heart shall glow with glad - ness still.
