Father In Need I Come To Thee

THY WILL BE DONE

Words by E. E. Rexford
Music by Fredrick A. Fillmore

1. Father, in need I come to Thee, And this shall be my earnest plea:

Give me a spirit like to Thine, And make Thy work and purpose mine.

The star of faith the beacon be That guides me o'er life's stormy sea.

Faithful in all things to the last, Be heav'n the prize when earth is past.

2. Help me to always keep in sight The love that guides me to the light;

Chorus

Not my will Father, but this I pray, Thy will be done by me each day;

3. Help me to do for Thine and Thee Whatever work Thou givest me;

Not my will, Father, this I pray, Thy will be done by me each day.
