God Wants The Boys And Girls

1. God wants the boys, the merry, merry boys, The noisy boys, the funny boys, The thoughtless boys. God wants the boys with all their joys, That best of girls, The worst of girls—God wants to make the girls His pearls, And He as gold may make them pure, And teach them trials to endure, so reflect His holy face, And bring to mind His wondrous grace.

2. God wants the girls, the happy-hearted girls, The loving girls, the best of girls, The worst of girls—God wants to make the girls His pearls, And He as gold may make them pure, And teach them trials to endure, so reflect His holy face, And bring to mind His wondrous grace.

His heroes brave, He'll have them be, Fight-ing for His heroes brave, He'll have them be, That beautiful, That beautiful, The world may be, The world may be,
