Guide Me, Savior

1. Savior, with Thy holy counsel, guide me
   In the narrow way;
   Never let me stray;
   Guide me day by day:
   Guide me all the way, guide me all the way.

2. Guide me, Savior while my foes are near me
   Never let me stray;
   Guide me day by day;
   Guide me all the way, guide me all the way.

3. While I walk life's lonely pilgrim journey, Guide
   In the narrow way;
   Never let me stray;
   Guide me day by day;
   Savior, lead my way.

Guide Me, Savior

In Thy holy way, keep me every day,
Never let me stray from the narrow way,

Guide me all the way,

Lead me where no evil can betide me; Guide, me all the way, all the way.

Let Thy presence cheer me; Guide, me all the way, all the way.

Guide me all the way.
