In the Kingdom of the Lord

With my Savior blest, almost hear the song.
Al-most hear the song, almost hear the song.
With my Savior blest, almost hear the song.
Home-land of my God, almost hear the song.

When the sun is sinking low,
When the sun is sinking low,
So oft I sing, so sweetly sing,
then so sweetly sing,
O that

land, that blessed land,
to which I go,

Where my Father is the King.
He is the King.
