I've Passed The Cross

1. Look unto me and be ye saved, I heard the Just One say;
2. By His atonement reconciled, My Father's face I see;
3. Oh, glorious height of vantage ground! Oh, blest victorious hour!

And as by faith on Him I gazed, My burden rolled away.
The empty tomb now intervenes Between the world and me.
In Him to trust and fully know His resurrection pow'r.

Chorus

I've passed the cross at Calvary, I'm on the Heaven side;
The world is crucified to me, Since Christ my ransom died;
The world is crucified to me, Since Christ my ransom died.
