In The Name Of God, Go Forward

WORKING 8s & 7s D.

1. In the name of God go forward, Joyfully thy work pursue;
   Sow thy seed in early morning, What is done is not to do.
   Do not look on what is distant, With the near work do thy best;
   Thou must sow if thou would'st gather, Only busy hands shall rest.

2. What will prosper or miscarry, Canst thou never beforehand know;
   But we know God's blessing ever Follows all good deeds below.
   In the name of God go forward, Joyfully thy work pursue;
   Sow thy seed in early morning, What is done is not to do.
