Tell Me More About Jesus

1. 'Tis known on earth and heaven too, 'Tis sweet to me because 'tis true; The "old, old story" is ever new; Tell me more about Jesus.
2. Earth's fairest flow'rs will droop and die, Dark clouds o'er-spread yon azure sky; Life's dear joys flit fleet'ly by; Tell me more about Jesus.
3. When over-whelmed with un-be-lief, When bur-dened with a blind-ing grief, Come kindly then to my re-lief; Tell me more about Jesus.
4. And when the Glo-ry-land I see, And take the "place pre-pared" for me, Thru endless years my song shall be- "Tell me more about Jesus."

Chorus

"Tell me more about Jesus! Tell me more about Jesus!"

Him would I know who loved me so; "Tell me more about Jesus!"

Words: P. P. Bliss
Music: James McGranahan
