The Only Way

1. Would you be freed from your burden of sin? Hear the sweet whisper of pardon within? Would you this moment a new life begin? This is the only way: Come to the cross of the Son of God, Trust in the pow'r of His saving blood,

2. Would you have light that no clouds can obscure? Would you find peace in tempests that beat? Would you have help that is mighty and sure? This is the only way: Come to the judgment to meet? This is the only way: Walk in the path where His feet once trod This is the only way.

3. Would you find rest in a blessed retreat? Rest undisturbed by the tempests that beat? Would you have joy that are never more? Would you this moment be ready the joys that are fadeless and pure?
