The Sword Of The Lord And Gideon

1. Arise! arise! arise! be not afraid;
   A - rise! a - rise!
   March on! march on! for God will be thine aid.
   March on! march on!
   A - rise! a - rise!
   Behold! behold! and ye shall surely smite
   Behold! behold!

2. March on! March on! and ye shall surely smite
   A - rise! a - rise!
   Behold! behold! and ye shall understand
   A - rise! a - rise!
   Yea, the Lord will go before thee,
   As a man, the host of Midian,
   Tho’ the evil foes surround thee,
   While the mighty pow’r of evil shall be stayed.
   While the mighty pow’r of evil shall be stayed.

3. Behold! Behold! oh, trusting little band;
   A - rise!
   A - rise!
   For God is with the right.
   For the Lord will fight for Gideon,
   For the Lord will fight for Gideon,
   And the army of thy foes be put to flight.
   And the army of thy foes be put to flight.
   If ye faithfully obey the Lord’s command.
   If ye faithfully obey the Lord’s command.

The Sword Of The Lord And Gideon

Chorus

Trust ye in the Lord forever, And thy trust He will reward.

He will be thy strong deliverer, He will be thy watch and ward;

With "The sword of the Lord and Gideon," Ye shall smite the host of Midian;

Ye shall conquer in the battle, Praise the Lord!
