There's Only One

1. There's only One whose pity falls Like dew upon the wounded heart;
2. There's only One who is not harsh, But tenderness it self to all;
3. There's only One who can support, And who sufficient grace can give
4. O blessed Jesus, Friend of friends, Come, hide us 'neath thy sheltering arm;
5. Thou art the One, the only One For whom no love too warm can flow;

There's only One who never stirs, Tho' ene my and friend depart.
There's only One who knows each heart, And listens to its faintest call.
To bear up under every grief, And spotless in this world to live.
Thou art the One, the only one Who giv est perfect rest below.

Chorus

There's only One, there's only One Can make us ever truly blest;
There's only One, there's only One Can give us peace and perfect rest.
