Tell Me More About Jesus

Words: P. P. Bliss
Music: James McGranahan

1. 'Tis known on earth and heaven too, 'Tis sweet to me because 'tis true; The "old, old story" is ever new; Tell me more about Jesus.

2. Earth's fairest flow'rs will droop and die, Dark clouds o'er-spread yon azure sky; Life's dear joys flit fleetest by; Tell me more about Jesus.

3. When overwhelmed with unbelief, When burdened with a blinding grief, Come kindly then to my relief; Tell me more about Jesus.

4. And when the Glory-land I see, And take the "place prepared" for me, Thru endless years my song shall be- "Tell me more about Jesus."

Chorus

"Tell me more about Jesus! Tell me more about Jesus!

Him would I know who loved me so; "Tell me more about Jesus!"
