That Which Was Lost
Luke 19:10

1. O'er the dreary mountains, Thru the sleet and cold, Seek-ing for the
   lost ones, That have left the fold.
2. Prod-i-gal re-turn-ing, Shout the glad re-tain, Fa-ther's heart is
   burn-ing, Lost, but found a-gain. "Tor the Son of man is
   come to seek and save,
3. Joy a-mong the an-gels For a heart de-praved Has been brought to
   Je-sus, And a soul is saved.

   seek and save,

   seek and save,

   seek and save,

   seek and save that which was lost."
