The Holiest Name

Words: Margaret Moody
Music: W. A. Ogden

1. Dear-est name in earth or heav-en, Sweet-est name my heart hath known,
   By the Fa-ther it was giv-en To His well be-loved Son.
   'Tis the ho-li-est name, 'Tis the ho-li-est name; From the bless-ed name!

2. To my heart it brings a bless-ing, And my lips take up the strain,
   And His won-drous name con-fess-ing, Tell its sweet-ness o'er a-gain.
   Fa-ther's lips to the earth it came, Bro't by an-gels of light, Bless-ed name!

3. Oh, my soul would swell the cho-rus, Sing-ing His re-deem-ing love,
   And as-cibe e-ter-nal prai-ses To the name all names a-bove.
   In the still-ness of night Was the dear, dear name of Je-sus bless-ed name!
