The Same Old Gospel Story

1. Preach the gospel of Jesus 'tis God's pow'r unto salvation,
   When apostles took the message boldly round condemning sin.

2. 'Tis the same gospel story that was preached to sons of men,
   We will preach it we will sing it, o'er the land and on the sea.

3. 'Tis the same gospel story and disregard we may be,
   Thru His blood, complete redemption sanctified by Jesus' name.

4. 'Tis the same gospel story just as beautiful and true,
   And as quick and full of power as it was when it was new.
