The Smile Of The King
A SONG OF ENCOURAGEMENT

1. 'Mid troubles and dangers that darken my way, As
onward thru life's tangled path way I stray, I
turn from the scenes that surround me and sing;
There is peace O my soul, in the smile of the King,

2. When o'er the lone ocean the wild surges roll, And
storms tre mendous descend from the pole, Thru the
conflict I hear the sweet harmony spring;
There is peace O my soul,

3. In constant and wayward, I grieve that I am, But
hid in my heart is the love of the Lamb, What
the anguish, the echoes still ring;

4. And oh, when I pass thru the shade that shall close In
silence profound o'er these brief mortal woes, Be
this my last song, to my God as I clinging;

5. Thou rising in splendor the hosts to behold, Who
sound His high praises on viols of gold, Ex-
ultant my tongue in His presence shall sing;
