The World's Astir

1. The world's a-stir! the clouds of storm
   Have melted into light,
   Whose streams a-glow from fountains warm
   Have driven back the night.

2. Where lies our path? we seek to know,
   To measure life, to find
   The hidden springs of truth whence flow
   The joys of heart and mind.

3. But Thou, O Christ, art master here!
   Re-deemed by Thee we stand;
   Change flash of hope to flame of love,
   And doubt to certainty.

4. Give us the wisdom from above;
   We pledge our loyalty;
   Now brightens dawn tow'r'd golden day;
   The earth is full of song.
