There Stands A Rock

1. There stands a Rock on shores of time, That rears to heav'n its head sublime; That Rock is cleft, and they are in this cleft a rest:
   That Rock's a cross, its arms outspread, Celestial glory bathes its head; To its firm base my all I bring. And to the cross of clouded light, Opes wide its gates beneath the dome, Where saints find rest with fame or their treasure or their land; Mine's on the Rock that forever shall stand, Jesus, the "Rock of Ages."

2. That Rock's a tow'r, whose lofty height, Illumed with heav'n's unhead sublime; That Rock is cleft, and they are in this cleft a rest:
   That Rock's a cross, its arms outspread, Celestial glory bathes its head; To its firm base my all I bring. And to the cross of clouded light, Opes wide its gates beneath the dome, Where saints find rest with fame or their treasure or their land; Mine's on the Rock that forever shall stand, Jesus, the "Rock of Ages."
