Thru Good Report And Evil, Lord
WE FOLLOW THEE

1. Thru good report and evil, Lord,
   Still guided by Thy faithful word,
2. Strength-ened by Thee, we forward go,
   Mid smile or scoff of friend or foe,
3. O Master, point Thou out the way,-
   Nor suffer Thou our steps to stray;

Our staff, our buckler, and our sword,-
We follow Thee, we follow Thee.
Thru pain or ease, thru joy or woe;
We follow Thee, we follow Thee.
Then in that path that leads to day,-
We follow Thee, we follow Thee.
