A Little While

1. A little while of toil and turmoil, A little while His cross to hear;
2. A little while to lift some burden, A little while some load to share,
3. A little while with sin to grapple, A little while to do and dare,
4. A little while upon the journey, A little while for courage rare,

A little while to witness for Him, Then rest, sweet rest from all our care.
A little while some life to brighten, Then rest, sweet rest from all our care.
A little while to learn to conquer, Then rest, sweet rest from all our care.
A little while for cloud and sorrow, Then rest, sweet rest from all our care.

Chorus

A little while, a little while; Then we shall rest in heav'n so fair;
A little while, a little while; Then we shall rest from all our care.
