Roll The Cause Along

1. Do you know a righteous cause Whose defenders are but few, 
   Waiting for a helping deed That the earnest hand may do?

2. Haste the cause of right to save, Waiting not the laggard throng, 
   With a courage true and brave Speed the right against the wrong.

3. Leave the coward ranks behind, And the Gideon armor wear, 
   Trust in God and victory find, Forward go to do and dare.

4. Raise the glorious banner high, Sound afar the trumpet call, 
   Let the zeal of God inspire Till the conquered foe shall fall.
