2. In His pres - ence sweet there is joy com - plete, And our souls have end - less peace,
3. When the sun goes down, and the shin - ing crown, In His ser - vice we have won,

And at last the song of vic - to - ry In His glo - ry we will sing,
For we know we shall not meet de - feat, As the days and years in - crease;
We shall reach that coun - try of re - nown, And shall hear our Lord "Will done,"

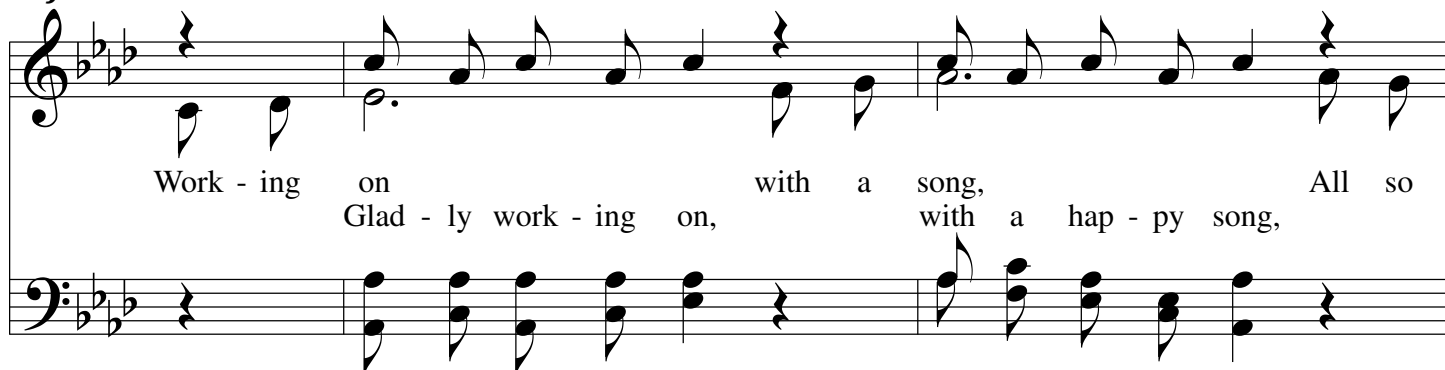

He, our hearts has won by the won - ders done, When for sin - ners He was slain;
He is near to bless with His right - eous - ness, And to keep a song with - in;
There, by sav - ing grace, we shall see His face, And in His dear pres - ence rest;

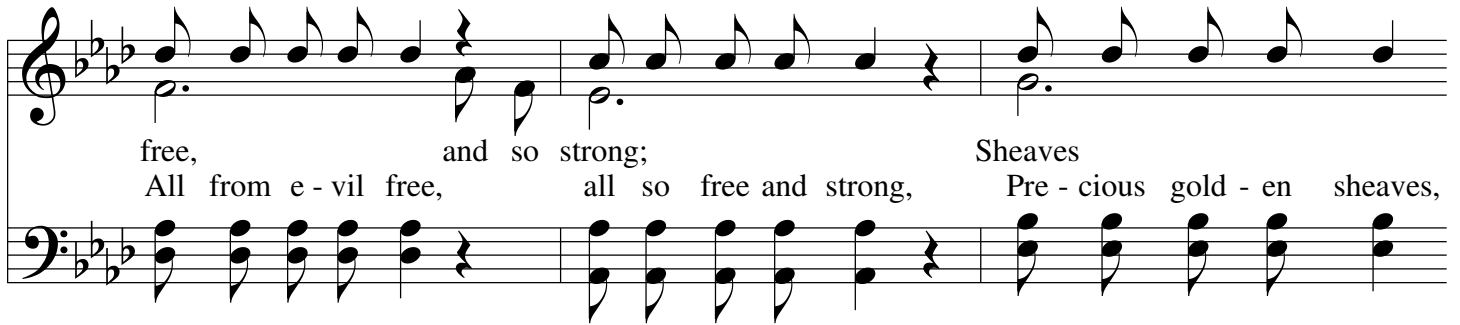

That is why we sing prais - es to our King, While we gath - er in the grain.
That is why we sing prais - es to our King, While the vic - to - ry we win.
While the years go by we shall see Him nigh, Be by Him for ev - er blest.
