

My Savior Will Know Me

A \flat

Moderato

1. I am on my way to heav - en, to those man - sions of the soul,
2. Far a - way in paths of dark - ness once my wea - ry feet did roam,
3. He is with me in the dark - ness, He is with me in the day,

Where I'll live with Christ, my Sav - ior, while e - ter - nal ag - es roll;
But I heard the lov - ing Sav - ior sweet - ly call - ing, "Child, come home;"
And His word is left on re - cord, "Lo, I am with you al - way;"

For my Sav - ior thru His grace, Has pre - pared for me a place,
So when life with me is o'er, I will en - ter heav - en's door
So thru His as - sist - ing grace, I shall reach that heav'n - ly place,

Refrain

And I'm sure that He will know me when I come.
And my bless - ed Lord will know me when I come. Yes, my Sav - ior will
And I feel that He will know me when I come.
