Key of Ab Major

L. O. Emerson

1. O God, ac - cept the sa - cred hour Which we to Thee have giv'n,
2. Still let us hold, till life de - parts, The pre - cepts of Thy Son,
3. His true dis - ci - ples may we live, From all cor - rup - tion free,
And let this hal - lowed scene have pow'r To raise our souls to heav'n.
Nor let our thought - less, thank - less hearts For - get what He has done.
And hum - bly learn like Him to give Our pow'rs, our wills to Thee.
